

# POLY-LIFT LINES

## Hi-Flow Poly-Lift Line:

- Greater lifting strength
- Retard gauge: helps prevent “peg-out” damage
- Heavy duty rubber gauge cover protects gauge
- 3/8" heavy duty ID hose for quick inflate/deflate
- Quick-dump valve for easy deflation
- Industrial quick disconnects
- Designed for use with plugs with removable inflator valve

## Poly-Lift Line:

- Great for plugs up to 15"
- 3/16" ID hose
- Threaded connection fittings

## HI-FLOW POLY-LIFT LINES

PART NUMBER	PRODUCT LENGTH
483208	6m (20ft) with Male Quick Disconnect Fitting & Gauge, Poly-Lift Line
483308	9m (30ft) with Male Quick Disconnect Fitting & Gauge, Poly-Lift Line
483408	12m (40ft) with Male Quick Disconnect Fitting & Gauge, Poly-Lift Line
M483208	6m (20ft) with Female Quick Disconnect Fitting & Gauge, Poly-Lift Line
M483308	9m (30ft) with Female Quick Disconnect Fitting & Gauge, Poly-Lift Line
M483408	12m (40ft) with Female Quick Disconnect Fitting & Gauge, Poly-Lift Line

Consult factory for lines without gauges.
